

Agios Antonios cliff: Sector 5

Area Info

This sector has two of the most beautiful routes in the area especially the "Snacky cracky" which moves on a really nice traverse at 5c.

Route name: Asinus asinum fricat (16)  
Grade: 5c+ both pitches
Length: 43 meters (1st pitch) and 21 meters the second.
Protection: Bolts. Only your ropes and quickdraws needed

Route name: Snacky Cracky (17)  
Grade: 5c
Length: 27 meters
Protection: Bolts. Only your rope and quickdraws needed. Stay focused on traverse!
